coastal

Reminds us of...

Wineglass Bay on the
east coast of Tasmania.

Light and calming natural tones are the base of the chosen colour
pallet paired with natural tones, and subtle textures and patterns,
inspired by the coastline of Tasmania.

Soft whites and greys are used to create a welcoming look
and feel, with light timber finish to complete the look.

We especially love the three colorbond shades that have been
chosen; *Surfmist*, *Shale Grey* and *Windspray*.

This theme created by *JAWS Architecture* is available
for your Tasbuilt Home.

For more details, ask our team about our interior design packages.
