# wilderness

Reminds us of...

Mount Wellington in Hobart.

The Wilderness interior design standard package boasts rich and earthy tones with the addition of classic green tones to complete the colour palette. This look and feel is inspired from the alpine wilderness throughout Tasmania, using warm timbers, dark coloured stone and a pop of greenery to ensure a warm and welcoming vibe.

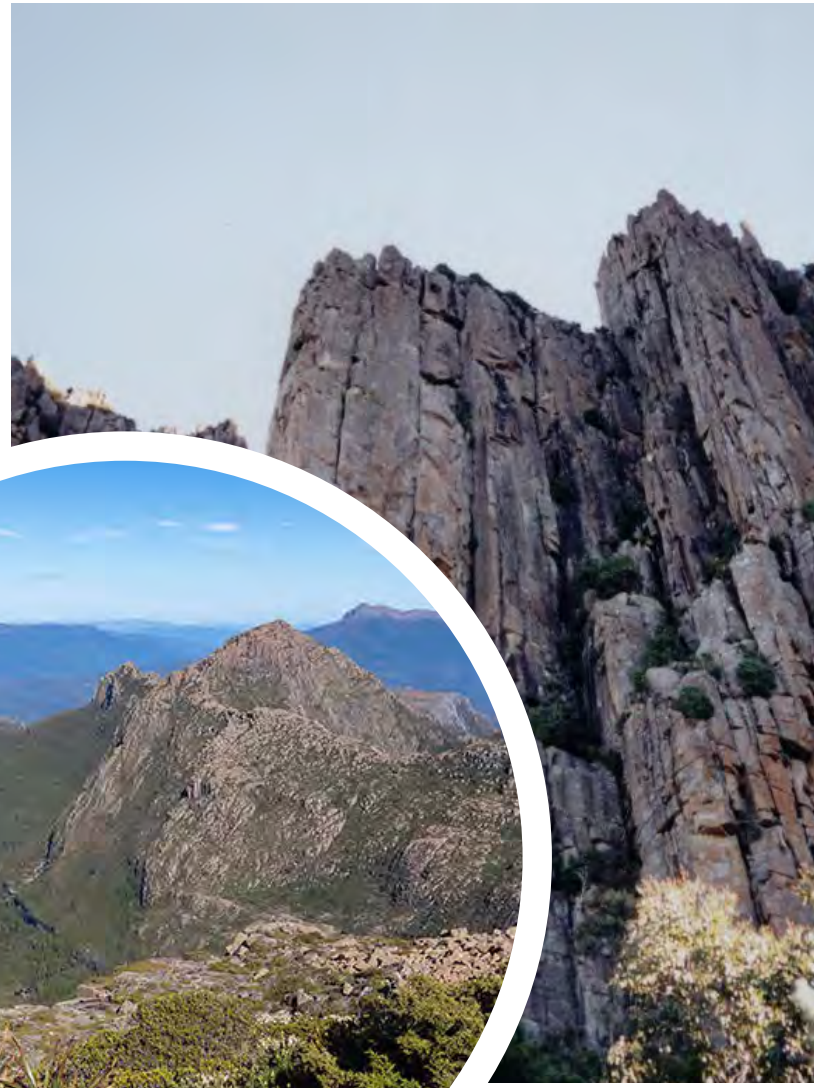

Thinking colours? For the exterior, pick from three themes, including *Monument*, *Mangrove* and *Woodland Grey*. Continue to the look inside with *Haymes Salt Bush Sand*, with an optional feature colour of *Rare Herb* or *Lava Stone*.

We LOVE this design package! This theme is created by *JAWS Architecture* for your Tasbuilt Home.

Ask our friendly team about the Wilderness package, and explore the other four packages while you're at it!
